Dear Kuhkenah Network Partner

We are writing this letter to inform you that we are shipping two network devices to your community, this includes, one (1) Alga SSPA and one (1) Newtec Modem.

The KO-KNET team has been working to develop the funding proposal in such a way that adequate spare equipment will be in place in each C-band served community to reduce future connectivity downtime.

We ask that your community designated person, sign the following form to ensure safe shipping and storage of the equipment, so when (if) equipment failure of the devices may occur, then replacement of the equipment can be preformed immediately minimizing down time.

Please send your community agreement to K-Net Services, fax 807-737-1720 attn: Jeannie Carpenter.

Thank you for working with Keewaytinook Okimakanak- K-Net Services.
